## **TDSB “Field of Dreams” Proposal**

Dear Residents,

Attached please find my letter to the Toronto District School Board (TDSB) regarding the public meeting Councillor Cliff Jenkins and I held on February 1<sup>st</sup> to discuss the TDSB's “Field of Dreams” proposal at Northern Secondary School.

The proposal is to install artificial turf on the playing field and to install an air-supported dome over one-third of the playing field during five months in winter. The attached letter reports the outcome of the public meeting.

For further information on this Toronto District School Board proposal, please contact:

Rauda Dickinson, Superintendent of Education, Toronto District School Board
