

# Reform Rental Housing in Toronto

In their 2003 election platform, the Ontario Liberals pledged to "*repeal the misnamed Tenant Protection Act and replace it with an effective tenant protection law in our first year of government.*"

**It's now 2006, and the law has not yet been changed.**

## HAVE YOUR SAY!

The City of Toronto wants you to join us in sending a message to your provincial representatives.

**The Tenant Protection Act must be changed.  
Ontarians have a right to live in good affordable housing.  
Save the existing supply of affordable housing.**

## Everyone's invited!
