**Re: Disaster Relief – South Asia
Request for a Special Meeting of Toronto City Council**

Dear Mayor Miller,

It has been 48 hours since my urgent letter to you requesting you to call a special meeting of Toronto City Council to discuss the Notice of Motion regarding Disaster Relief – South Asia, dated December 29th, 2004.

I have yet to receive a reply from you and with each hour passing the situation in South Asia is becoming more and more desperate. With this in mind, I again request you to call this meeting as soon as possible.

I look forward to a formal reply to my December 29th, 2004, letter to you.

Yours sincerely,

Michael Walker
Councillor, St. Paul's
