BETWEEN HARWOOD ROAD AND CLEVELAND STREET**

**DATE:** Thursday, February 12, 2004, 7:00 p.m.

**PLACE:** Manor Road United Church, 240 Manor Road East,  
in the Main Auditorium

**SUBJECT:** Proposal to Install Speed Humps on Belsize Drive  
between Harwood Road and Cleveland Street

Dear Resident,

February 2, 2004

I invite you and your neighbours to a public meeting to discuss a proposal to install speed humps on your section of Belsize Drive between Harwood Road and Cleveland Street. This meeting will be held at **Manor Road United Church (240 Manor Road East) in the main auditorium at 7:00 p.m. on Thursday, February 12, 2004.**

I am holding this meeting in response to a petition submitted late in 2003 by residents of this section of Belsize Drive. If your response at this meeting is positive, the City's Transportation Services will conduct a poll of you and your neighbours within the next few months following this meeting to obtain your approval for the installation of speed humps on Belsize Drive between Harwood Road and Cleveland Street.

Representatives from the City's Transportation Services will be in attendance to answer any questions you may have regarding this traffic calming proposal. If you would like a copy of the Transportation Services report on this issue, please visit [www.michaelwalker.ca/staffreports](http://www.michaelwalker.ca/staffreports) or contact Chris Sellors in my office at 416-338-5253 or at [csellor@toronto.ca](mailto:csellor@toronto.ca).

I look forward to meeting you at **7:00 p.m. on Thursday, February 12, 2004 at Manor Road United Church in the Main Building Auditorium** to discuss this proposal.

Yours sincerely,

Michael Walker  
Councillor – St. Paul's, Ward 22
