**PROPOSAL TO INSTALL SPEED HUMPS ON BROADWAY AVENUE
BETWEEN MOUNT PLEASANT ROAD AND BAYVIEW AVENUE**

DATE: Monday, March 29, 2004, 7:30 p.m.

PLACE: St. Monica's Catholic School, 44 Broadway Avenue, Gymnasium

SUBJECT: Proposal to Install Speed Humps on Broadway Avenue between Mount Pleasant Road and Bayview Avenue

Dear Resident,

March 18, 2004

We invite you and your neighbours to a public meeting to discuss a proposal to install speed humps on Broadway Avenue between Mount Pleasant Road and Bayview Avenue (*please see reverse for proposed speed hump locations*). The meeting will be held at **St. Monica's Catholic School in the Gymnasium at 7:30 p.m. on Monday, March 29, 2004.**

We are hosting this meeting in response to a petition and neighbourhood survey of residents on this section of Broadway Avenue. Representatives from the City's Transportation Services will be in attendance to answer any questions you may have regarding this traffic calming proposal. Following this meeting, the City's Transportation staff will prepare a report for the April 28th Works Committee meeting to obtain authorization to conduct an official poll of all effected residents. The results of this poll will be forwarded to a future meeting of the Works Committee at which time residents will have an opportunity to address Committee members.

If you would like to receive a copy of the Transportation Services report on this issue, please contact our respective offices directly or visit: www.michaelwalker.ca/staffreports

We look forward to meeting you at **7:30 p.m. on Monday, March 29, 2004 at St. Monica's Catholic School in the Gymnasium** to discuss this proposal in greater detail.

Yours sincerely,

Yours sincerely,

Cliff Jenkins
